

The Hudson Independent presents:

'Westchester Power'

A Public Forum: Your Energy Costs

Find out more about recent changes...Ask questions about your energy costs at an open meeting about the new program in which most electric utility consumers in Tarrytown and Irvington are enrolled. Westchester Power was established by Sustainable Westchester, and has set new energy costs - offering clean, renewable energy sources.

Speakers:

David Wiegman, Executive Director, Sustainable Westchester

Glenn Weinberg, Interim Program Director, Westchester Power

Monday, May 16, 7:30 p.m.,

Warner Library, 121 N. Broadway, Tarrytown

Sponsored by THE HUDSON INDEPENDENT, and hosted by WARNER LIBRARY
