One Community: Fighting Hunger, Feeding Hope July 1 – 31, 2009

An estimated 200,000 men, women and children in Westchester County are currently at risk of hunger or hungry. In this difficult economic time, more people than ever are seeking food assistance from local agencies. Demand is particularly great in the summer when children who would normally receive meals at school do not have this resource to depend on.

During July, Hitachi America, Ltd. is holding its annual food drive to help address this vital need in our community.
