No. 203

EXECUTIVE ORDER

NEW YORK STATE POLICE REFORM AND REINVENTION COLLABORATIVE

WHEREAS, the Constitution of the State of New York obliges the Governor to take care that the laws of New York are faithfully executed; and

WHEREAS, I have solemnly sworn, pursuant to Article 13, Section 1 of the Constitution, to support the Constitution and faithfully discharge the duties of the Office of Governor; and

WHEREAS, beginning on May 25, 2020, following the police-involved death of George Floyd in Minnesota, protests have taken place daily throughout the nation and in communities across New York State in response to police-involved deaths and racially-biased law enforcement to demand change, action, and accountability; and

WHEREAS, there is a long and painful history in New York State of discrimination and mistreatment of black and African-American citizens dating back to the arrival of the first enslaved Africans in America; and

WHEREAS, this recent history includes a number of incidents involving the police that have resulted in the deaths of unarmed civilians, predominantly black and African-American men, that have undermined the public's confidence and trust in our system of law enforcement and criminal justice, and such condition is ongoing and urgently needs to be rectified; and

WHEREAS, these deaths in New York State include those of Anthony Baez, Amadou Diallo, Ousmane Zango, Sean Bell, Ramarley Graham, Patrick Dorismond, Akai Gurley, and Eric Garner, amongst others, and, in other states, include Oscar Grant, Trayvon Martin, Michael Brown, Tamir Rice, Laquan McDonald, Walter Scott, Freddie Gray, Philando Castile, Antwon Rose Jr., Ahmaud Arbery, Breonna Taylor, and George Floyd, amongst others,

WHEREAS, these needless deaths have led me to sign into law the Say Their Name Agenda which reforms aspects of policing in New York State; and

WHEREAS, government has a responsibility to ensure that all of its citizens are treated equally, fairly, and justly before the law; and

WHEREAS, recent outpouring of protests and demonstrations which have been manifested in every area of the state have illustrated the depth and breadth of the concern; and

WHEREAS, black lives matter; and

WHEREAS, the foregoing compels me to conclude that urgent and immediate action is needed to eliminate racial inequities in policing, to modify and modernize policing strategies, policies, procedures, and practices, and to develop practices to better address the particular needs of communities of color to promote public safety, improve community engagement, and foster trust; and

WHEREAS, the Division of the Budget is empowered to determine the appropriate use of funds in furtherance of the state laws and New York State Constitution; and

WHEREAS, in coordination with the resources of the Division of Criminal Justice Services, the Division of the Budget can increase the effectiveness of the criminal justice system by ensuring that the local police agencies within the state have been actively engaged with stakeholders in the local community and have locally-approved plans for the strategies, policies and procedures of local police agencies; and

NOW, THEREFORE, I, Andrew M. Cuomo, Governor of the State of New York, by virtue of the authority vested in me by the Constitution and the Laws of the State of New York, in particular Article IV, section one, I do hereby order and direct as follows:

The director of the Division of the Budget, in consultation with the Division of Criminal Justice Services, shall promulgate guidance to be sent to all local governments directing that:

Each local government entity which has a police agency operating with police officers as defined under 1.20 of the criminal procedure law must perform a comprehensive review of current police force deployments, strategies, policies, procedures, and practices, and develop a plan to improve such deployments, strategies, policies, procedures, and practices, for the purposes of addressing the particular needs of the communities served by such police agency and promote community engagement to foster trust, fairness, and legitimacy, and to address any racial bias and disproportionate policing of communities of color.

Each chief executive of such local government shall convene the head of the local police agency, and stakeholders in the community to develop such plan, which shall consider evidence-based policing strategies, including but not limited to, use of force policies; procedural justice; any studies addressing systemic racial bias or racial justice in policing; implicit bias awareness training; de-escalation training and practices; law enforcement assisted diversion programs; restorative justice practices; community-based outreach and conflict resolution; problem-oriented policing; hot spots policing; focused deterrence; crime prevention through environmental design; violence prevention and reduction interventions; model policies and guidelines promulgated by the New York State Municipal Police Training Council; and standards promulgated by the New York State Law Enforcement Accreditation Program.

The political subdivision, in coordination with its police agency, must consult with stakeholders, including but not limited to membership and leadership of the local police force; members of the community, with emphasis in areas with high numbers of police and community interactions; interested non-profit and faith-based community groups; the local office of the district attorney; the local public defender; and local elected officials, and create a plan to adopt and implement the recommendations resulting from its review and consultation, including any modifications, modernizations, and innovations to its policing deployments, strategies, policies, procedures, and practices, tailored to the specific needs of the community and general promotion of improved police agency and community relationships based on trust, fairness, accountability, and transparency, and which seek to reduce any racial disparities in policing.

Such plan shall be offered for public comment to all citizens in the locality, and after consideration of such comments, shall be presented to the local legislative body in such political subdivision, which shall ratify or adopt such plan by local law or resolution, as appropriate, no later than April 1, 2021; and

Such local government shall transmit a certification to the Director of the Division of the Budget to affirm that such process has been complied with and such local law or resolution has been adopted; and

The Director of the Division of the Budget shall be authorized to condition receipt of future appropriated state or federal funds upon filing of such certification for which such local government would otherwise be eligible; and

The Director is authorized to seek the support and assistance of any state agency in order to effectuate these purposes.

BY THE GOVERNOR

Mr. C

Secretary to the Governor

GIVEN under my hand and the Privy Seal of the
State in the City of Albany this
twelfth day of June in the year two

New schedule, LGS-1 Retention and Disposition Schedule for New York Local Government Records arrives August 1, 2020

Thursday, May 21, 2020

The State Archives is revising and consolidating its local government records retention and disposition schedules and issuing a single, comprehensive retention schedule for all types of local governments on August 1st, 2020. The new schedule, *Retention and Disposition Schedule for New York Local Government Records* or LGS-1, will supersede and replace:

- *CO-2 Schedule* for use by counties (2006),
- *MU-1 Schedule* for use by cities, towns, villages, and fire districts (2003),
- *MI-1 Schedule* for use by miscellaneous local governments (2006), and
- *ED-1 Schedule* for use by school districts, BOCES, County Vocational Education and Extension Boards, and Teacher Resource and Computer Training Centers (2004)

Local governments must adopt LGS-1 prior to utilizing it, even if they adopted and have been using the *CO-2*, *MU-1*, *MI-1*, or *ED-1* Schedules. Governing boards of local governments will have a five-month period – between August 1st, 2020 when LGS-1 is issued and January 1st, 2021 when the four existing schedules expire – to adopt the Schedule by resolution (a model resolution is available on the State Archives' website). Local government records may not be legally destroyed after the end of 2020 unless the LGS-1 is formally adopted.

2
There is no need to notify the State Archives of LGS-1 adoptions, but local governments should keep a record of the date of adoption and maintain the resolution permanently.

The organization and formatting of the LGS-1 is similar to the existing four schedules. Section heading names have been retained. Because of the consolidation, the LGS-1 contains more sections. Local government can ignore those that are not applicable. As with previous schedules, items that are new or significantly revised have been indicated. Each schedule item has been assigned a new, unique number; however, the unique numbers of the four existing schedules have been provided allowing cross referencing. In addition, each schedule item contains the record series title and description, retention period, and any notes.

A copy of the LGS-1 will be available on the State Archives website on August 1st. Additional online resources will include a list of the major revisions to the Schedule and a webinar series to introduce the LGS-1. Local governments are encouraged to check the State Archives website periodically for LGS-1 news and updates.

By consolidating multiple, disparate retention schedules, the LGS-1 helps to ensure consistent retention and disposition guidance for records that are common to various local governments. It also makes it easier to apply revisions necessitated by changes to laws, regulations or other mandates that affect retention.
