The agreement formed collectively by this paragraph and the Commitment, shall be the Village’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the Village would be required to incur to perform thereunder. The Village Treasurer is further authorized and directed to establish procedures in order to ensure compliance by the Village with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the Village Treasurer shall consult with, as appropriate, the Village Attorney and bond counsel or other qualified independent special counsel to the Village and shall be entitled to rely upon any legal advice provided by the Village Attorney or such bond counsel or other qualified independent special counsel in determining whether a filing should be made.

Section 10. OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE BOARD. SPEAKERS HAVE FIVE (5) MINUTES BEFORE YIELDING TO THE NEXT SPEAKER; THEN THREE (3) MINUTES FOR ADDITIONAL COMMENTS

Paul Cancro, 18 Short Street, asked the following questions:

- With reference to the DPW Garbage Collection letter, it states that prior to the container handout, you have to let the Village know which size container you want. Mr. Cancro asked how can people make that decision without knowing the dimensions of the garbage cans.

Administrator Blau noted that in the 4th paragraph of the flyer, it states that "Homeowners who are not capable of moving the 95 gallon rolling cart can due to physical limitations, may request that a smaller 65 gallon rolling cart be issued to them prior to the scheduled delivery date of the rolling garbage cans." Another example, there was a senior citizen

from the “Pilot Program” who couldn’t handle the rolling garbage cans. We allowed her to continue putting her clear plastic bags of garbage on the curb for pickup.

Mayor Fixell noted that there are others who absolutely cannot use the rolling garbage cans due to steps, steep driveways etc. We will put the dimensions of the garbage cans on our website to help residents decide which garbage container would work best for them.

Administrator Blau noted that during the “Pilot Program,” there were instances where people had issues with the rolling garbage cans and our Superintendent of Public Works met with these people and determined what would be appropriate for their particular location.

- Mr. Cancro asked if a resident has more garbage than fits in the container, can you put the extra garbage bag on the side of the garbage container to be picked up.

Administrator Blau responded that if it happens infrequently, like during the holiday season, we will pick it up. However, if it is a weekly occurrence, the resident will have to pay for the extra garbage collection.

- Mr. Cancro noted that the garbage collection letter states that organic waste will be picked up on Thursday, after household garbage collection. But, there is no household garbage collection on Thursdays.

Administrator Blau noted that organic waste will be picked up on Thursdays and stating “after household garbage collection” was an error.

- Mr. Cancro asked if he has to call DPW for a bulk pickup.

Administrator Blau responded that was correct. Call DPW and it will be picked up.

- Mr. Cancro asked why the Village didn’t finish painting the H-Bridge.

Administrator Blau responded that there was a limited amount of money to paint the facade of the H-Bridge. It would have cost hundreds of thousands of dollars to finish painting the H-Bridge.

ADJOURNMENT

Trustee Hoyt moved, seconded by Trustee Butler, and unanimously carried, that the meeting be adjourned at 8:35 p.m.
